EYRS Membership

When passionate about working with young children we want to provide the best possible care and education. Our team of consultants have a wealth of knowledge and experience ranging from Early Years Quality Consultants, Former Inspectors and Early Years Specialists. Our own knowledge and training are updated regularly so that we are able to provide current, relevant and inspirational training.

- Delivering CPD accredited training, live and online
- We supply resources and support helping you and your team develop skills and knowledge
- Stay up-to-date with the latest changes and best practices in early childhood education
- Have opportunities for networking and collaboration with other professionals in the field

TRAINING THAT WORKS AROUND YOU

All of our courses can be completed outside of the Setting on your desktop, tablet, and mobile and can be accessed anywhere.

CONTRIBUTES TO CPD HOURS

All of our courses can contribute to your professional development for the year. Please see each course individually for approximate durations.

DEVELOPED BY EXPERTS

We've partnered with specialists in education to make sure our training and resources are up to date with industry thinking, accurately detail the latest changes, and provide you with the relevant knowledge and actions to take forward into the setting.
